1. I will speak in darkness, for I speak in light, and the darkness cannot contain it. The darkness cannot restrain it. It will not constrict My light. The opacity of the darkness cannot prevent My light from coming through it—catastrophically colliding with it, displacing it, and moving it into particles away from Me, unchanged, some changed, the light pre-empting, preeminence of only Me.

2. I come and I call and I am, I am the King of Kings, the Lord of Lords, the ruler of all. I come and all kings will bow before Me, every knee will bow and whisper My name, they all will shout My name in recognition of Me. All will, Ted, none exempt. Much pain, much glory, redemption of only Me. I am the Redeemer, My blood redeems, My blood comes.

3. I am My cup, see Me, feel Me, touch Me, become Me, let Me become you more and more as you give your way to Me, giving yourself to Me day after day, hour after hour, thought upon thought, connection upon connection, linkage upon revelation, presentation of Me. I love you.

4. I come and the darkness cannot contain Me. I come and the darkness cannot restrain Me. I come and I explode My light now into all spheres, droplets of revelation resulting in every vocation, every craft.

5. Watch Me and what I will do with those who will embrace Me, speaking My words unashamedly, arising in My throne room as I enter, as I enthrone, as I embrace, as I disrobe and I become intimate with My who-seek-Me, understanding relationship, understanding intimacy, understanding the power of My Spirit, understanding estrangement not, but becoming one with Me. I love you.

6. The power of Me comes, the power of My Spirit comes, off the high dive every time. Speak Me and allow Me to speak and allow Me to be spoken to, interaction, inter-exchange—My heart given, their heart received, My heart received, their heart massaged—renewed, polarized, pulverized not, but propelled into the kingdom of darkness to displace and explode My light. I love you.

7. Into Me I am placing My Mine. A hard word, a glorious word, a wondering word, a wonderful word, a word from Me to My Kingdom, to My Kingdom-embracers who will let My light come forth and shine in power and boldness, radiance, excluding Me not, but emboldened Me. I love you.

8. I thank you for sharing Me and letting Me speak about the destruction of darkness. My light flashes continuously, polarity not, streams of Me. I bring the sword and I bring peace, I bring war, and I bring access to demolish the strongholds that have held My Mine back. I love you.

9. Reaching for Me you are, you will, you flow Me and I flow, I flow in rivers of water, living water. I am the bread of life, I am the water of life, the river of life. Eat of Me, My bread, My cup, and every time remember Me.

10. I am, I come, I call, I catapult, I affirm, I jettison you now into acceleration of particles that deal with only Me. I encapsulate and I affront those that I am an affront to, and conquer them I will, I do, watch Me. Watch Me walk the halls of power in prowess, marble, glass, and brass, and none shall be excluded from Me.

11. Those who know My voice, walk My ways, spend time with Me in the wee hours, will connect, sinewed in My body by the power of My Spirit, and it's not by might and it's not by power, it is by My Spirit. My power goes forth, My Me goes forth.

12. I ride on the word of My power, I ride on the power of My word. My word comes forth, goes forth, and establishes the voids, the null and void, the empty places, into becoming oasises for Me, for you, for those strong who will reside in only Me, forsaking mammon, forsaking friends, forsaking family, and riding with only Me. I honor who obey the voice of My father, and I come and I call and I catapult you now.

13. Irene, yes, of Me. You'll see, soon. She sees, face to face—Me. I love you. I love her. I love My families who are not afraid—fearless—intimidating the darkness, riding on the light. I love you. I give you Me.

14. I give you archways and breezeways and vines of the vine of life. I give you colors and hues of only Me. I give you sounds of silence, solitude, and golden bells of only Me. I give you worship bands and creative strands making powerful the powered of Me. I love you.

15. Into golden locks of hair My bride more radiant becomes, matured increasingly, ready for Me. I love you.

16. Explode My words into the explode-able I do now, more, increasingly: June, August.

17. July rest and share, enjoy connections great. I love you. Call for Me, I am there, I never leave. Into you I speak increasingly. Out of you I speak permitted-ably.

18. I am power. I heal, I restore, I cast out devils and demons and principalities come crashing at the sound of My voice. I love you. Fearless one arise, on My steed you ride,

emboldened by only Me—I love you—fearless, focused on only Me, eyes for only Me, eyes on only Me, your eyes, all eyes, on only Me. I thank you. I know what you mean and you know what I mean.

19. I come and I call and I conquer all, unexpectedly some, none withstanding the power of My love, face to face, Me'd. I love you.

20. Relax and enjoy the blast-off, acceleration; ignition was last week—you knew, you spoke, you jumped, I came, I told you I wouldn't let you down and I never will. I am Me and I have spoken. Tread now where angels fear to tread and I am with you, lo, always, even to the end of all things when the new millennium comes—Me, on My throne, in glory now, all arrayed, beautified, ready, waiting, acting, permeating, reticent not, thank you.

21. Fearless: thank you.
Obedient: thank you.
Consistent: thank you.
Trusting: thank you.
Faithful: thank you.
Loyal: thank you.
Empowering, lifting, arising, setting free, demonstrably Me, thank you.
Over My globe, obtuse, acute, quadrangles forging Me in every locality, thank you.

22. I permeate, I publish, I proclaim, I declare, and I thank you for being you and letting Me be fully Me.

23. More comes, so much more comes, so much more; only the beginning, accelerating in Me. No seat belt needed, no oxygen needed.

24. I am the giver of life, true life, and every word issued from the Father comes through Me. I love you.

25. Now be Me, be Me. Some of your pictures are replete, almost. You are on to Me. Thank you. Riding with Me, seeing Me, sinewing Me, thank you.

26. I heal now. I lift her head. Watch Me. Watch Me, watch what I do with your beloved, My beloved. I love you.

27. Come now, come nigh, please, more, more often, more closely, intimately with only Me. I love you.

28. Mockers come, review My words, honor all, and let us be us unhindered. Waving My banner you are, My flag unfurled, My steeds freed. Joel 2 review, receive

increasingly. Come after Me more. I enjoy you so. Thank you. Thank you. Thank you so very much.

29. Thank you Stephen, for seeking Me, explode.

30. WeekWorkables, thank you. WeekWorks explode Me, tripping over My globe. I thank you. I wash, I clean, I cleanse, I correct, I construct, I rebuild, I re-connect, I sinew, and I am doing that to so many now through you, through My WeekWorkables, through My WeekWorks, through the land and buildings that now arise.

31. My temples not made with hands arise—My priesthood of all believers, bread and wined, by only Me. Thank you.

All comes, all there, all is. Receive, enjoy, delight in only Me. I love you.

All Mine. All Mine. All Me—Me'd from My Mine, Me'd from My Father—all at table together. Thank you.

32. Relax. You passed, "A".

Now smile, embrace Me more and we will soar. Thank you. Thank you so much. Thank you. Riding on My shoulders, riding on My shoulders, My shoulders.

Didn't I tell you? You sought Me first, and now you will see it all. My words are true. Thank you.

Tell it all. Thank you.

Amen.
